

## April 2021 SCC Minutes

Attending: Roxanne, Melissa, Rachel, Sierra, Ms. Faulner, Jason Finch, Whitney, Natasha, Kristi

The March minutes were brought up for acceptance. The minutes were accepted without any changes. We also reviewed the minutes from September, October, November, and December 2020 to remove Manessa Adams from the attendee list. They were accepted unanimously.

Next agenda item the SCC parent survey update. It was decided to send the survey out via email.

Then the climate surveys by grades were discussed. Those went out to each parent/guardian per grade level.

Student success Plan 3 year priorities. Since our utmost goal is reading, it was decided to continue and focus on reading as a goal.

Reason to celebrate! The last 3 years of data shows that we have exceeded the goal for reading improvement.

The last agenda item was that the 2019-2020 land trust data was entered.

We adjourned until the May 2021 meeting.
