Salt Lake City, Utah 84111

RE: VLCM Technologies Group Inc.
Wireless Equipment – Various Locations
Requisitions #: Multiple
Combined Total: \$185,136.00

Dear Superintendent Grant:

Sam Quantz submitted this requisition for network equipment for use at the following schools:

- R070763 – Ensign Elementary, Network Switches - \$34,512.00
- R070773 – Rose Park Elementary, Network Switches - \$45,300.00
- R070787 – Edison Elementary, Network Switches - \$36,539.00
- R070802 – Liberty Elementary, Network Switches - \$68,785.00

VLCM Technologies Group Inc. was found to be the lowest priced, responsive, and responsible vendor through the federal E-Rate program.

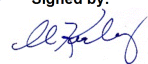

Permission is requested to issue a purchase order to VLCM Technologies Group Inc. for \$185,136.00. Funds for this expenditure will come from the 2025-2026 Capital Projects Fund. We anticipate the majority of these funds may be reimbursed through the federal E-Rate program.

Sincerely,
