

Bonneville Elementary School Community Council Candidate Form

What is the School Community Council?

The School Community Council (SCC) is an elected team that works to build relationships and contribute to consistent, effective collaboration and communication among the guardians, staff, and administrators of Bonneville. The SCC provides a forum for guardians to be actively involved with the school and in their children's education.

This coming year our school will receive \$55,110 from the School LAND Trust Program. The SCC uses these funds by identifying academic needs and recommending interventions that will measurably improve student performance. The recommendations are reviewed and confirmed by the School Improvement Council (SIC). The SCC also serves in an advisory capacity to school and school district administrations.

Am I qualified to serve on the SCC?

Every public school in Utah has a School Community Council. The councils are made up of school employees who are elected by employees and parents/guardians who are elected by parent/guardians of students attending the school. Terms are for two years.

Candidates must have a student attending the school at least one of the two years of their term of service. Employees must be employed by the school district at the school.
